

JEFFERSON TOWER

1600 Jefferson Street Seattle WA 98122

Description

Jefferson Tower is located on the Swedish Medical Center Cherry Hill Campus. The building offers 108,000 square feet of medical office, clinical and research space. Its location on the Campus in close proximity to First Hill makes it an ideal location for medical professionals providing services in the area. Patients will also appreciate the convenience of outpatient services offered in the building, such as orthopedic, cardiovascular, sports medicine and eye care. Jefferson Tower has undergone extensive improvement by Sabey Construction.

Jefferson Tower is reached easily via the main venues off of I-90 and 23rd Avenue. Visitors and occupants enjoy spectacular views of the Cascade Mountains, Downtown Seattle and Elliott Bay.

Highlights

- Abundant bandwidth
- Ample parking
- Access to conference rooms, auditorium, and cafeteria
- Full-service Starbucks on premises
